Our music program has dedicated our accomplishment to all the former band students and band directors. These individuals (former students and staff) sacrificed and paved the way for our students. We would like to thank Mr. Diaz and his administrators, our school board members, and Mr. Gonzalez, our EPISD Superintendent. All of them have given us the love and support needed to nourish our student's education. We are eternally grateful for all they have done for the Arts and our respective music departments.

We will continue to display our commitment and work ethic as we continue to positively represent EPISD and our Eagle Pass community as we look forward into our future.
