Specific terms of coverage, exclusions, and limitations are contained solely in a completed insurance policy for which a premium has been paid.

This DATA pertains to claims made against some of the insurance policies or claims service agreements issued to you by our member companies through the risk management information systems (collectively "RMIS").

- You understand and agree that the limit of our liability for any cause of action arising from, or related in any way to RMIS and/or DATA, is for direct damages only. We are not liable to you for any indirect, consequential, punitive, or special damages of any kind or nature.

To the extent that we provide DATA to you through RMIS and/or through any other means or media otherwise, the following terms shall apply:

a. We and you (the "Parties") shall comply with all laws and regulations governing the confidentiality, security, transmission, retransmission, copying, disclosure, and use of information pertaining to individuals, including but not limited to any medical information or non-public information as individually identifiable medical information and non-public, protected personal information of persons as defined in applicable law or regulation.

c. You shall instruct all employees accessing RMIS and DATA with regard to the obligations imposed under paragraphs a. and b. and ensure that your employees fully comply.
Each party agrees to defend, indemnify, and hold harmless the other party and its officers, directors, subsidiaries, affiliates, and employees from and against any third-party claims* that the party seeking indemnification may suffer or incur that arises out of:

- The other party's breach of any representation or other obligation arising under this agreement with regard to DATA or RMIS

*Claims collectively refers to losses, damages, suits, fees, judgments, costs, and expenses, including reasonable attorneys' fees, made by the directors, officers, and employees of the party responsible for indemnification.

Terms & Conditions

The party seeking indemnification will:

- Promptly let the other party know in writing of any claim for which it is seeking indemnification
- Forward to the other party all documents in its possession related to the matter

Failure to provide prompt notice of a claim for indemnification will not prevent the party's claim for indemnification unless the other party is negatively impacted.

With regard to DATA and RMIS provided according to this section, your obligations and ours will survive indefinitely regardless of the termination of our partnership, any insurance policy, this or any other agreement between the parties.

Broker/Third-Party Access

If you want to extend access to RMIS and/or DATA to your broker/consultant or any third party, they must enter into a separate agreement with us that includes the terms and conditions of such access

New Mexico Limitation Of Uninsured/Underinsured Motorist Coverage

On October 4, 2021, the New Mexico Supreme Court issued an opinion titled Crutcher v., Liberty Mutual Insurance Company et al (No. S-1-SC-37478). As a result of the Court's decision, we are required to provide the following clarification of the limitation of Uninsured/Underinsured Mototrist Coverage (UM/UIM). In the event of a loss from a motor vehicle accident in which the total reimbursement you receive from the other parties' insurance policies is equal to or in excess of your UM/UIM limit, you may not have any UIM coverage available to you.

An Underinsured Motorist is NOT simply a motorist who does not have sufficient insurance coverage to pay for all of your injuries and/or damages. Rather, an Underinsured Motorist is an operator of a motor vehicle for which the sum of the Limits Of Liability under all bodily injury liability insurance applicable at the time of the accident is less than the Limits Of Liability under all Uninsured/Underinsured Motorist Coverage applicable to you. This means that if you have the same amount of Underinsured Motorist Coverage that an at fault driver carries in liability limits, you may not have any Underinsured Motorist Coverage available to you. For example, if you receive $25,000 in liability bodily injury benefits from an at fault driver and you have $25,000 per person in UM/UIM Coverage available to you under your own or someone else's policy, you may not receive any benefits for UIM Coverage under the Policy because that driver would most likely not be an Underinsured Motorist. Similarly, if you received $50,000 in liability bodily injury benefits from the at fault driver and you have a total of $50,000 per person in UM/UIM Coverage available to you under your own or someone else's policy, you may not receive any benefits for UIM Coverage under your policy(ies) because that driver would most likely not be an Underinsured Motorist. This is because under New Mexico law, Underinsured Motorist Coverage pays the 'gap' between the at fault driver's liability insurance limits and the limits of Underinsured Motorist Coverage available to you. It does not pay the 'excess' of damages you suffer that are above the at fault driver's liability limits – only the difference between that person's liability limits and the limits of all Underinsured Motorist Coverage available to you, if there is any difference.

Please note that the above example applies only to situations inlvolving UIM coverage and not UM coverage.

Therefore, it is very important to consider this when selecting UM/UIM coverage limits.

Terrorism Insurance Premium Disclosure

This notice contains important information about the Terrorism Risk Insurance Act and its effect on your policy. Please read it carefully.

The premium charge for coverage for "Certified Acts of Terrorism" will appear in this Proposal as a separate line item charge. If you choose to accept this proposal, you will have the opportunity to reject this coverage and premium charge. This offer applies to all lines except Workers Compensation, Crime, Professional Liability and Commercial Automobile.

The Terrorism Risk Insurance Act

The Terrorism Risk Insurance Act, including all amendments ("TRIA" or the "Act"), establishes a program to spread the risk of catastrophic losses from certain acts of terrorism between insurers and the federal government. If an individual insurer's losses from "certified acts of terrorism" exceed a specified deductible amount, the government will generally reimburse the insurer for a percentage of losses (the "Federal Share") paid in excess of the deductible, but only if aggregate industry losses from such acts exceed the "Program Trigger". An insurer that has met its insurer deductible is not liable for any portion of losses in excess of $100 billion per calendar year. Similarly, the federal government is not liable for any losses covered by the Act that exceed this amount. If aggregate insured losses exceed $100 billion, losses up to that amount may be pro-rated, as determined by the Secretary of the Treasury.
Beginning in calendar year 2020, the Federal Share is 80% and the Program Trigger is $200,000,000.

Mandatory Availability of Coverage For "Certified Acts of Terrorism"

TRIA requires insurers to make coverage available for any loss that occurs within the United States (or outside of the U.S. in the case of U.S. missions and certain air carriers and vessels), results from a "certified act of terrorism" AND that is otherwise covered under your policy.

A "certified act of terrorism" means:

[A]ny act that is certified by the Secretary [of the Treasury], in consultation with the Secretary of Homeland Security, and the Attorney General of the United States

i. to be an act of terrorism;
ii. to be a violent act or an act that is dangerous to –
   I. human life;
   II. property; or
   III. infrastructure;
iii. to have resulted in damage within the United States, or outside of the United States in the case of –
   I. an air carrier (as defined in section 40102 of title 49, United States Code) or United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States); or
   II. the premises of a United States mission; and
iv. to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Notice of terrorism insurance coverage

Coverage for acts of terrorism is already included in workers' compensation policies. Losses resulting from certified acts of terrorism, as defined under the Terrorism Insurance Act of 2002, as amended ("the Act"), would be partially reimbursed by the U.S. Government. If the aggregate industry Insured Losses occurring in any calendar year exceed $200,000,000, the U.S. Government would pay 80% of our Insured Losses that exceed our Insurer Deductible. The Act provides an annual cap on liability that limits the U.S. Government's payment as well as our liability for any amount of losses from certified acts of terrorism that, in the aggregate for the industry, exceeds $100,000,000,000 in a calendar year. The portion of your quoted premium that is attributable to coverage for acts of terrorism is $0 and does not include any charges for the portion of losses covered by the U.S. Government under the Act.

Agency Bill Payment Options and Procedures

We appreciate the opportunity to service your insurance needs. We believe good credit relationships are established by making our clients aware in advance of the terms of our payment procedures.

Our basic payment policy is that all payments are due on or before the effective date of coverage. The following Agency Bill payment methods are available.

- Check prior to effective date
- Online payment through ePayPolicy prior to effective date
- Insurance Company payment plan, if available

Additional premium invoices during the policy term are payable upon receipt. (Additional premiums may be premium financed under certain circumstances, please contact your insurance representative to determine eligibility).

You will receive a monthly statement of your account. Client statements are processed and mailed on the 15th of each month. Policies with payments past due are subject to cancellation for non-payment of premium. This is a serious situation as your insurer may refuse to reinstate coverage even if payment is made after cancellation.

Accounts are subject, but not limited to, reasonable attorney fees, interest, collection fees and/or court costs incurred in connection with collection of past due balances.

Payments: To ensure accurate application of all premiums, return the remittance copy of the invoice with your payment or use ePayPolicy to electronically send your payment. If we cannot identify the applicable invoice being paid, payments will be left unapplied or applied to your oldest balance.

Credits: After USI receives the return premium from the carrier(s), the funds can be applied to your account or returned to you. If your account is premium financed and the contract has not been paid in full, the funds will be returned to the Premium Finance Company. Receipt of funds from the carrier(s) can take up to 90 days.

These payment procedures will apply for all policy renewals or future business written.

If you have any questions concerning our payment procedures or any other matters pertaining to account payments, please feel free to contact our Regional Accounts Receivable Staff Accountant at 855-874-0004.

USI Disclosures

Direct Bill DISCLOSURE: The Insurance Company operates independently for the financing of your insurance premium. Your agreement to finance this premium is directly with the insurance company and not USI Insurance Services.

If payment is not received by the due date, the insurance company could cancel your insurance policy(s) for non-payment of premium. The insurance company has the right to honor the cancellation date and **NOT** offer reinstatement or rewrite the insurance coverage.

We are not in a position to make monthly reminders or verify that your payment was received. Please take the necessary action to avoid possible cancellation of your insurance policy(s) which you are paying directly to the insurance company.

Information Concerning Our Fees: As a licensed insurance producer, USI is authorized to confer with or advise our clients and prospective clients concerning substantive benefits, terms or conditions of insurance contracts, to sell insurance and to obtain insurance coverages for our clients. Our compensation for placement of insurance coverage, unless otherwise specifically negotiated and agreed to with our client, is customarily based on commission calculated as a percentage of the premium collected by the insurer and is paid to us by the insurer. We may also receive from insurers and insurance intermediaries (which may include USI affiliated companies) additional compensation (monetary and non-monetary) based in whole or in part on the insurance contract we sell, which is contingent on volume of business and/or profitability of insurance contracts we supply to them and/or other factors pursuant to agreements we may have with them relating to all or part of the business we place with those insurers or through those intermediaries. Some of these agreements with insurers and/or intermediaries include financial incentives for USI to grow its business or otherwise strengthen the distribution relationship with the insurer or intermediary. Such agreements may be in effect with one or more of the insurers with whom your insurance is placed, or with the insurance intermediary we use to place your insurance. You may obtain information about the nature and source of such compensation expected to be received by us, and, if applicable, compensation expected to be received on any alternative quotes pertinent to your placement upon your request.

Document Delivery DISCLOSURE: USI strives to make your interactions with us easy and efficient. Therefore, we intend to deliver your policy and all policy-related documents electronically through our InsurLink client portal or through email. If you do not wish to receive these documents electronically or if you would like a paper copy of any or all documents at no cost to you, please notify your client service representative in writing. If your email or electronic contact information changes, please notify your client service representative in writing.

Reviewing Client Contracts DISCLOSURE: As a service to our clients, upon their request, USI will review those portions of your contract regarding the insurance and indemnity requirements as they relate to your insurance program and provide comments and/or recommendations based upon such review. This service should not be taken as legal advice and it does not replace the need for review by the insured's own legal counsel.

Insurance Carrier Ratings

As a service to our clients, USI is furnishing an assessment by a financial rating service of the insurance companies included in our proposal. We are including the legends used by this service.

All ratings are subject to periodic review, therefore, it is important to obtain updated ratings from each service. Should you desire further information concerning the financial statements of any of the insurance companies being proposed, so that you can make your own assessment of the financial strength of the companies being offered, it is available from USI at your request.

USI has made no attempt to determine independently the financial capacity of the insurance companies that we are including in our proposal as we believe the nationally recognized services are better equipped to comment.

A.M. Best JUA and Unrated Notification – Texas Mutual

The events of 2001 have brought many changes and challenges to the international insurance market. These changes in the market have affected the ability of all brokers to locate insurance coverage at a scope and cost of insurance placed in prior years. In addition, insurance carriers have suffered significant losses that may jeopardize their financial stability.

As a matter of policy, USI endeavors to obtain quotations and indications from insurance companies who meet or exceed the USI minimum guidelines for A.M. Best Ratings of companies. Due to the current insurance market conditions, USI has increased its minimum standard for insurers to A-. A.M. Best's current rating scale is attached.

USI bases its guidelines upon ratings issued by A.M. Best Company ("Best"). Best is a recognized publisher of information concerning insurer financial conditions. It rates insurers based on many factors, including financial stability. An insurance company's financial conditions, can of course, affect its ability to pay claims.

You are insured with Texas Mutual Insurance. However, Texas Mutual Insurance is not rated by Best. We are providing you with this information so you can make an informed buying decision as to whether you wish to place your coverage with State Fund.

Please sign below and return to us to acknowledge your agreement to placement with Texas Mutual Insurance.

If you would prefer to explore possible placement with another carrier, please contact our office immediately. Please be advised that another carrier may have more restrictive terms, increased premium, increased deductibles or other terms not present with your current carrier.

Deductible Notice of Election

Texas law permits an employer to obtain workers' compensation insurance with a deductible. The insurance applies only to benefits payable under Texas workers' compensation law. When a deductible is elected, the policyholder is required to reimburse the insurance carrier for benefits payable under the law up to the deductible amount and a credit is applied to the policy. Premium credits are determined based on the deductible selected and the hazard group. The hazard group is determined by the classification that produces the largest amount of estimated Texas standard premium.

You are not required to choose a deductible. If you do choose one, your insurance company will pay the deductible amount for you, but you must reimburse the insurance company within 30 days after they send you notice that payment is due. If you fail to reimburse the insurance company, they may cancel the policy upon ten days written notice, and any resulting premium may be applied to the deductible amount owed.

If a deductible amount is desired, please indicate below.
