Dorrina Patacsil

Number of Activities: For most of the month I had to keep up on GEARS to make sure GEAR UP program GEARS was updated with our school numbers. Our GU quarter report was due on the 31st of January. I and Amanda completed the 1st quarter report on time. We have received Special Project money and we bought another 20 iPad for the junior high math class and 2 mac books for the teachers, so now our math department has complete sets of 20 iPad and that will complete the all junior high and high school classes with iPad in the math department. I'm still helping Ty with the IGraduate grant and we are trying to figure out what ideas would work for the grant.

Budget: Nothing this month

Completed Task: GU 1st Quarter Report is due Jan31, 2019, We have FAFSA night on Jan 16, 2019

Upcoming Task Think of Stuff to do with I Graduate to help Ty.
