

***DRAFT***  
***STATE FUNDING RESOLUTION***

Whereas, the *Woodbridge Board of Education* has already made significant reductions in programs and services for our students; and

Whereas any further reductions taking place when the school year is about to begin would seriously disrupt the efforts to support the achievement of our students;

Therefore, be it resolved, that the *Woodbridge Board of Education* urges the Governor and the General Assembly to provide a phase in period for the implementation of any changes in state funding for public education.
