

Dear D.C. Everest School District,  
Thank you for the beautiful  
Peace Garden arrangement  
and for your compassion and  
support during our time  
of loss. The kindness shown  
by our school community  
meant a great deal to our  
family.

With sincere thanks,  
Tammy and Joe Trzebiatowske

During a time  
like this  
we realize how much  
our friends and relatives  
really mean  
to us....  
Your expression  
of sympathy will always  
be remembered
