

**Hopson Middle School SAC Report October 2022**

**Principal - Dr. Charles W. TenBroeck, III, and Assistant Principal - Ms. Tracy Mulvenon**

**Enrollment: Sixth=77 Seventh=83 Eighth=86 Total=246**

**Glows**

1. MAPs test complete with testing over 95% of students
  
2. New Cell phone policy working well. To date, the office called only 3 parents about students who were not following the rule since the beginning of the year.
  
3. Student Activities:
  - Pep rally to honor Football, Cross Country and Writing
  - Football game on Sept. 24
  - Cross Country Meet in Anchorage
  - Opening of the WOLF Den
  - Writing Contest for Tuzzy Library's Annual Meeting
  - Open Rec
  - School Store
  - Leader Shout Outs-Receive a coupon for WOLF Den
  - First Getting to Class on Time Party-140 students invited
  - Mini Battle-Battle of the Minds
  - Extended lunch and recess (35 minutes)
  - Viewing students individually and matching positive Supports

### **Grows or Focus Areas:**

1. Staffing-Filling our Parapro positions-Need 4 and teachers-8th Math and SS.
2. Areas of Skill Growth based on MAPS-Teacher examine data from the most recent MAPs and the following are focus areas.
  - 6th=ELA-Informational Text (Summarization and key events)
    - Math-Multiplication and division facts
    - Science-Interdependent relationships in ecosystems, environmental impacts on organisms.
  - 7th =ELA-Literary Text-Develop meaning in a variety of ways such as Character's or Narrator's point of view in
    - developing meaning of the text.
    - Math-Finding the missing factor for Multiplication and dividend/divisor for Division.
    - Science-Life Sciences-Analyzing Climate Change.
  - 8th-ELA-Increase Fluency and comprehension in reading using Power UP
    - Math-multiplication in relation to fractions
    - Science-Physical Science.

### **Peek ahead in October:**

**Battle of the Packs-Oct. 21**
