

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Cedar Park

Date: November 2015

Partners: Sunset Presbyterian Church, The Church of Jesus Christ of Latter Day Saints West Hills Ward

Plans for the 2015-2016 school year:

- Sunset Presbyterian Church will include Cedar Park families in its annual Toy and Joy Program in December.
- Sunset Presbyterian Church will continue its backpack program to provide nutritious foods to Cedar Park families.
- Sunset Presbyterian will engage community members in 2 targeted campaigns of service in the winter of 2016 and spring of 2016.
- Cedar Park's Community Partners Committee will partner with community businesses to improve student knowledge of career readiness through guest speakers, and events.

Summary of Progress:

- Sunset Presbyterian Church and the Church of Jesus Christ of Latter Day Saints improved landscaping and the appearance of the school grounds in August 2015.
- Volunteers from faith-based partners are providing supervision of lunch recess.
- Volunteers from faith-based partners are providing homework help and teaching students to knit during Cedar Park After-School Activities.

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Five Oaks

Date: November 2015

Partners: Westside Community Church
Oregon Food Bank
First Tech Credit Union
Figaro's Pizza
SOLV
Comcast
Sports Authority
Jamba Juice

Plans for the 2015-2016 school year:

- Westside Community Church has been holding services for the last couple years. Sadly, they have found a new home, but have assured me that they will continue their partnership with us.
- We have begun an extended day program called "Opportunity YOU". An integral part of the program are the community partners that are coming in to work with our students one day a week. We are recruiting partners now and we currently have 4 SPARCs (Someone Proficient and Really Cool) working in Opportunity YOU. We need actually need 12 SPARCs for each 10 week session for one day a week for 2 ½ hours. We will be recruiting all year long for adults to work in Opportunity YOU.

Summary of Progress:

We are in the beginning stages of recruitment of community partners.

Rachel Carson Environmental Middle School that is housed here at Five Oaks has many community partnerships that they have had for years. These partnerships have made the incredible site visits that the school participates in possible. They also use many adults in the surrounding community to judge their annual Science Fair. Students also connect community partners as they do their 8th grade projects.

First Tech Credit Union provided the school with over 300 backpacks filled with school supplies for the second year in a row. Five Oaks was able to share backpacks with our feeder elementary schools. We received backpacks from several other donors as well.

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Highland Park

Date: November 2015

Partners: Clean Water Services, City of Beaverton Library, Beaverton Christian Church, Southwest Christian Church, Oregon State University Extension Service, Vernier, Inc., Grey Family Foundation, Wisdom of the Elders, OHSU, and Nike.

Plans for the 2015-2016 school year:

Future Ready STEAM Site Council: Our dedicated committee of parents, community partners, staff and students will continue to meet monthly to guide our work across the curriculum with the full integration of STEAM-focused lessons and activities. This group's action plan is currently focused on establishing a weekly news program at Highland Park Middle School.

HP News: Our intent is to have a fully functioning, student driven, news program by March, 2016. We are currently actively engaging community partners to help with accessing resources and partnerships.

Completion of Bio-Swale: We will continue our partnership to complete our bio-swale by the end December, 2015. Remaining steps to complete the bio-swale include replanting and the placement of an informational sign.

8th Grade Climate Change and Indigenous Peoples Culture Study: We will once again partner with the Wisdom of the Elders and provide an in-depth study of climate change and its effects on Pacific Northwest and Alaskan indigenous peoples.

STEAM Fair: Our parents and community will be invited to join our Summa and 7th grade classes in an exploration of hands-on Science, Technology, Engineering, the Arts

and Mathematics activities. The STEAM Fair will be built to be an interdisciplinary, engaging evening of activities and learning around STEAM.

Summary of Progress:

National 4-H Youth Science Day: We partnered with Vernier, Inc., and Oregon State University to host the National 4-H Science Day on October, 7, 2015. This event was attended by over 150 middle school students from across BSD, several schools from Portland Public Schools and several private schools. Students participated in an experiment designed by Vernier, Inc. and in interactive science based stations hosted by Vernier employees.

Outdoor School: Highland Park students attended Outdoor School from October 5-8. Our 6th grade students attended Trickle Creek 4-H Camp, Cedar Ridge Camp in Vernonia and Camp Magruder. This experience was supported by a grant from a community partner, the Grey Family Foundation.

Nike: Nike employees hosted our 300 seventh grade students in an Science of Sport activity on September 29th. This annual event is one of the highlights of the seventh grade year, as students learn skills and knowledge about how science and sport intersect in a rotation of sessions. The day culminated with a presentation to our students by Nike sponsored athlete, Anthony Robles.

OHSU: We are currently in conversations with OHSU to host our second annual Take Your Teacher To Work Day. Our intent is to annually take our teachers on a field trip to learn more about a STEAM related career.

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Meadow Park

Date: November 2015

Partners:

- **Cyndie Pelto**
- **Jennifer Yamashiro**
- **Triona Gibson**
- **Leslie Seward**
-

Plans for the 2015-2016 school year:

- **Technology improvements throughout the building (building funds and PTO fundraising)**
- **Service Day for School Cleaning**
- **Branding Meadow Park Middle School – What will are students be known for? What makes Meadow great?**

Summary of Progress:

- **Initial Meetings Held**
- **Planning for grants/funds to bring in technology**

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Mountain View

Date: November 2015

Partners:

Max Calderon – Westside Church

Dennis Hodges - McDonalds

Plans for the 2015-2016 school year:

Being a new principal at Mountain View, I am reestablishing these partnerships and our plans/goals for the year.

We are working on ways to reach out to our diverse parents and guardians. We are charged to support families in need and establish parent nights that are driven by parent needs and requests.

How do we work together to support a safe and productive community?

Summary of Progress: *(please use additional pages if needed)*

We are just beginning this work for the 2015-16 school year.

Quarterly Progress Report to the School Board Community Partnership Teams

School Name:

Stoller MS

Date:

November 2015

Partners:

- 1. Laurel Parc at Bethany Village – Assisted Living Facility**
- 2. Continuing with local sponsors for our 5K run – donors will be added once confirmed.**

Plans for the 2015-2016 school year:

- 1. Laurel Parc: Invite residents to our drama performances as special guests. The goal is to connect generations and for residents to be thinking about how they may want to connect with Stoller over the years. Invite residents to their own Art Literacy class held at Stoller to learn about the artist and program. Then invite residents to join volunteers in the classroom to collaborate with students on their art.**
- 2. 5K: We will run an after school fitness club for students who are: 1. identified as below proficiencies in PE class and Fit Lab class, 2. in need of socio-economic assistance and do not have the opportunity to participate in sports programs 3. students identified by the PE/health/counseling staff that would benefit socially and emotionally from belonging to a club, 4. general student body population.**

Summary of Progress: *(please use additional pages if needed)*

- 1. Laurel Parc: They have been contacted. Parent will send out invitations to residents for our first invitation.**
- 2. 5K: we are building what we call a Complete Wellness Program (approach) that combines health/PE/ and this year counseling. We are adding the afterschool fitness club and the lunchtime social/emotional support group.**

BEF: This quarter also included the growth of our long-term Partnership with the Beaverton Education Foundation (BEF). Approximately 100 Whitford students participate in the “**Success for All**” after school program and receive academic support every Tuesday and participate in club soccer on Wednesdays. Thanks to BEF, our students have after school transportation this year. Whitford will also partner with BEF to host a district-wide middle school soccer tournament followed by a “Family Fiesta”. We have scheduled this event for the 3rd quarter of the year.

Pacific University: Pacific University has increased their presence in our school with the addition of a pilot program that offers project-based learning in the area of technology. Our teachers learn side-by-side with the Pacific interns in graduate level courses hosted at Whitford. The focus for this term is “Technology as a tool to differentiate instruction”.

Portland Community Church (PCC): We are currently working with our faith-based partners to support families in need. PCC, St. John Fisher Church, Season of Atonement, and Beaverton High School will collaborate to support Whitford families in need.

Quarterly Progress Report to the School Board Community Partnership Teams

School Name: Whitford

Date: November 2015

Partners: Tualatin Valley Fire and Rescue (TVFR)
Oregon Episcopal School (OES)
Pacific University
Tualatin Hills Parks and Recreation District (THPRD)
Beaverton Education Foundation (BEF)
Portland Community Church (PCC)
Young Life
Whitford PTO

Plans for the 2015-2016 school year: Strengthen connection between current partners. Incorporate partners in school-based events and school improvement goals. Identify specific ways that we can partner to improve literacy and integrated technology (Future Ready) goals. Review needs and assets of respective partners and ensure that all partners are aware of what each partner “brings to the table”. Develop a CEC mission statement.

Summary of Q1 Progress: *(please use additional pages if needed)*

TVFR: This quarter TVFR will offer hands only CPR training for our 8th grade students during the school day. This is the 4th year of this partnership.

OES: Whitford and OES administrative teams will continue to conduct shared school and classroom visits to better learn more about our schools shared goals and instructional practices. In this quarter OES and Whitford leadership developed a data analysis plan to investigate long-term impact of our partnership with a focus on graduation rates. Pacific University and OES leaders are also collaborating to strengthen the after school and summer programs.

BEF: This quarter also included the growth of our long-term Partnership with the Beaverton Education Foundation (BEF). Approximately 100 Whitford students participate in the “**Success for All**” after school program and receive academic support every Tuesday and participate in club soccer on Wednesdays. Thanks to BEF, our students have after school transportation this year. Whitford will also partner with BEF to host a district-wide middle school soccer tournament followed by a “Family Fiesta”. We have scheduled this event for the 3rd quarter of the year.

Pacific University: Pacific University has increased their presence in our school with the addition of a pilot program that offers project-based learning in the area of technology. Our teachers learn side-by-side with the Pacific interns in graduate level courses hosted at Whitford. The focus for this term is “Technology as a tool to differentiate instruction”.

Portland Community Church (PCC): We are currently working with our faith-based partners to support families in need. PCC, St. John Fisher Church, Season of Atonement, and Beaverton High School will collaborate to support Whitford families in need.
