

Consider Approval of One-Year Extension to BibliU Contract to Operate the Book Store

On July 1, 2022, Galveston College entered into a three-year contract with the Texas Book Company to operate the Galveston College Bookstore. The Texas Book Company has since changed its name to BibliU Campus, Inc., and continues to operate as the successor entity formerly known as Texas Book Company.

The initial contract expired June 20, 2025. However, the contract does include an option for two (2) one-year extensions. We are currently operating under the first contract extension. Staff recommends an additional one-year extension of the contract.
