Summer sports activities have already begun. All of our sports programs have full summer calendars. Coaches have done a great job getting together to organize their calendars so there are as few conflicting dates as possible.

There are youth clinics coming up for football, boys basketball, girls basketball and cheer.

The weight room will be open this summer. However, it will only be opened up with reserved times made by coaches from each individual sport. We will not have it opened up for certain times for anyone to come.

Rehab Authority is hosting their annual fundraiser for local schools by donating the money they get from physicals back to the schools. That will take place on Tuesday, July 25th from 5-7 at the Homedale location. Cost of the physicals is \$30.
