

Mike Loveless

Italy High School

Athletic Director / Head Football

MEMO

May 2026

Subject: The addition of athletic Trainer, Kori Young, available through Baylor Scott & White for 2026-27 school year. Her organization provides assistance to many schools around the area including Kerens and Mildred. Coach Loveless' first contact was from the individual who provides the same service to Mildred ISD back during basketball and their trainer put Kori in contact with Italy ISD.

What & When: Mrs. Young will provide Athletic Trainer evaluations/care for our athletes who have suffered injuries or experiencing pain, offer treatment plans, and/or doctor referrals with no obligations. Plan is for her to meet our athletes every Tuesday morning during the fall semester and every other Tuesday during the spring semester. Special times could be arranged for urgent care but NO game time assistance is available. We will still rely heavily on Mr. JD Cate's assistance like we have always done.

Details: NO Contract, NO Cost, Referrals made to Baylor Scott & White – No Obligation to use. Also, referrals can be made for school employees if needing assistance through her as well.

Bio from Korie Young LAT, ATC:

I have been a Licensed and BOC Certified Athletic Trainer in Texas for over 20 years. I graduated from The University of Indianapolis with a BS in Athletic Training in 1997 and worked for HealthSouth in Oklahoma before moving to Texas with the Company. I was contracted to Midway High School in Waco when moving to Texas, spent a couple of years at Terrell HS as an Athletic Trainer/Teacher before going to Desoto High School for 11 years as an Assistant Athletic Trainer. In 2015 I moved to Dallas Christian School as the Head Athletic Trainer and Assistant AD and spent 10 years there before coming to the physician side of Sports Medicine with Sports Care Inc. My role for Italy would be providing injury assessments for any of your athletes weekly. I look forward to working with you and your athletes! Here is the link to the Sports Care Website.
