March 26, 2018

Dr. Alicia Roy  
Superintendent of Schools  
3 Brush Hill Road  
New Fairfield, CT 06812

Dear Dr. Roy:

In accordance with Connecticut General Statutes §10-161, the Board of Education may establish a firm graduation date for students in grade twelve on or after April first in any school year which at the time of such establishment provides for at least one hundred eighty days of school.

The O'Neill Center is available at 10:00 AM on Saturday, June 23, 2018, which is after the one hundred eightieth day of school as scheduled on the district calendar. I have made a tentative reservation at the O'Neill Center for this date and time.

I request that you please add approval of June 23, 2018 as the graduation date for the Class of 2018 to the next Board of Education meeting agenda.

Sincerely,

Richard J. Sanzo, Ed.D.  
Principal

#### **CORE VALUES & BELIEFS STATEMENT**

New Fairfield High School is committed to all students achieving high academic standards and personal wellness, enabling continuous growth through authentic, flexible pathways. By prioritizing connectedness and compassion, we empower all members of our learning community to take ownership of our individual and collective development as we foster the  
*Attributes of the Graduate.*
