SUBJECT: Consider Approval of Bid for Floating Irrigation Pump

Station

********* ACTION ********

BACKGROUND INFORMATION:

We currently use effluent water at the High School for practice fields and grounds. Due to long term benefits of effluent water usage, we have installed a pipeline for effluent water to East Junior High and East Elementary. The pump station will complete the project.

ITEM ADDRESSED:

Bids are due on August 9, 2019 at 2:00 p.m. We will have the bid tabulation sheet for you on Monday night.

ACTION RECOMMENDED:

Board's direction.
