

### **Software and Equipment Rental Extension**

This document serves as a formal agreement to extend the existing contract between Stephenville ISD and Kirbo's Office Systems for a period of 60 months from signature date. This extension maintains the current terms, rates, and provision of office equipment rental and service. Kirbo's Office Systems will continue to manage the existing fleet, ensuring ongoing maintenance, necessary upgrades, and updates throughout the contract term. The contract is non-cancellable except in the event of the Non Appropriation of Funds by the State of Texas. Kirbo's Office Systems is a Certified Master bidder on the State of Texas CMBL, this contract is quoted under the State of Texas DIR Managed Document Services program, Contract CPO-5428.

Furthermore, this agreement includes the digital migration of the UniFlow On-Premise Server to the UniFlow Online Cloud Server. Canon USA's transition team will collaborate with the ISD's IT team to facilitate a seamless transition.

The service rate for black and white prints will remain at \$0.0057 per copy, and color prints at \$0.05 per copy, inclusive of all parts, labor, and toner. The monthly lease price is established at \$3,200. This document acts as a formal extension to the current contract, which remains in effect.
