

BP 1312.4 Public Complaints Concerning Elementary and Secondary Education Act Programs

Note: At 4 AAC 06.888, the Department of Education and Early Development requires that complaints alleging that a district has violated the law in administering programs under the Elementary and Secondary Education Act (ESEA) be first submitted to the district for resolution. States are required to have a process for the receipt and resolution of complaints alleging violations in the administration of federal programs. 20 USC 7844.

The Board expects that federal programs provided for in the Elementary and Secondary Education Act (ESEA) will be properly administered in the district to support and improve the quality of the educational program. The district will review and resolve complaints alleging violations of the law in administering education programs required by the ESEA.

The Board encourages complainants to resolve problems early and informally whenever possible. If a problem remains unresolved, the individual should submit a written complaint as early as possible in accordance with appropriate district procedures. District procedures shall be readily accessible to the public.
