

REQUEST FOR 40% CAMPUS HYBRID INSTRUCTION FOR 9TH-12TH GRADE STUDENTS

SECTION I: Requirements

For students in grades 9-12, school systems may establish a less-than-daily on-campus attendance schedule as the sole offering for students in one or more high school campuses of the LEA in order to reduce the number of individuals on a campus at any one time and increase the total number of students served in an on-campus setting in the LEA. In the event there is not a daily on-campus attendance option in one or more of these grade levels, the LEA must ensure that on-campus attendance is offered as part of the hybrid schedule at least 40% of the days in each grading cycle (typically 6-or 9-weeks periods). Any LEA that pursues this hybrid option while not providing a daily on-campus offering for students who otherwise wish to attend on campus may do so after submitting a waiver request to TEA. All waivers will be conditionally approved upon receipt but may be subject to further review by TEA.

SECTION II: Request

District Name: Ector County ISD

First Day School: 8/12/20

Explain the hybrid schedule(s) for the eligible students:

9th through 12 grade students have two options for 2020-2021. One is the hybrid model where students alternate days between on campus and remote learning scheduled through an A/B schedule. The second option is remote learning five days a week. The hybrid model enables campus administration to assign students and teachers to an A/B schedule.

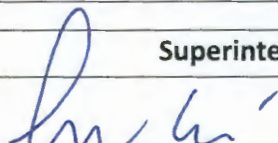

Week	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1	"A" F to F "B" remote	"A" remote "B" F to F	"A" F to F "B" remote	"A" remote "B" F to F	"A" F to F "B" remote
Week 2	"B" F to F "A" remote	"B" remote "A" F to F	"B" F to F "A" remote	"B" remote "A" F to F	"B" F to F "A" remote

The district will honor and serve the students who choose remote learning five days a week.

Students without internet access will be encouraged to attend school five days a week.

Remote learning will include asynchronous and synchronous instruction and will follow the 7 period schedule to enable teachers to engage with remote learners daily.
