

2024 - 2025 District Goals

Provide child-centered campuses that encourage all students to experience success

Improve student performance on assessments

- 10% improvement in reading scores and 5% improvement in all other subjects
- Investigate ways to increase technology for grades 3-5

Implement discipline plan in a manner that changes behavior

Teach students financial literacy

- Implement a class/workshop for upperclassmen and parents

Promote physical, mental and emotional health

- Implement new anti-drug programs to educate students, parents and staff (vaping, fentanyl)

Implement additional security protocols on all campuses

Ensure full continuum of services for all student programs

- Includes special education, 504, GT, CATE, bilingual, AP, extracurricular, dyslexia, etc.
- Investigate ways to expand special education, including inclusion.
- Continue to investigate additional fine arts offerings based on student interest

Recruit, challenge, develop and retain qualified and productive staff who model an atmosphere of excellence

- Continue to provide competitive compensation packages
- Implement methods, programs or services to relieve stress among staff
- Investigate ways to increase the number of effective substitutes available
- Continue bonding activities (bowling, Top Golf, etc.)

Monitor teacher incentive pay program

Continue to offer developmental academies

Foster community involvement

- Encourage school visibility at community events
- Improve community awareness of school activities
 - Such as team schedules, posters, fliers

Provide for the growth and ever-changing demographics of Princeton ISD
