### HISTORY:

San Elizario Independent School District (SEISD) is strongly committed to ensuring its students' academic success and overall well-being through comprehensive health, wellness, and support initiatives. Over the years, the District has sought community-based partnerships that expand access to essential health services for students and families, especially those facing economic, geographic, or transportation barriers to medical care.

Centro de Salud Familiar La Fe, Inc. (La Fe) has served the El Paso region for decades as a trusted community health organization offering quality medical, dental, and behavioral health services. La Fe provides outreach and care in underserved communities through its mobile medical unit, ensuring access to preventive and responsive healthcare.

This partnership between SEISD and La Fe builds upon mutual goals of improving student health outcomes, promoting wellness, and supporting academic achievement. The MOU formalizes an ongoing collaborative relationship to bring healthcare resources directly to SEISD campuses and district facilities.

### RATIONALE:

This MOU defines and strengthens the partnership between SEISD and La Fe to implement a comprehensive school health system that leverages educational and medical expertise. This collaboration ensures that students, families, and staff have equitable access to preventive and routine medical services, fostering a healthier learning environment and promoting student attendance and performance.
