

# 2021 -22 Allotment & TEKS Certification Form

School districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters will be unable to order 2021 -22 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA).

Complete the form below after the school board has certified. Indicate the instructional materials the district has adopted or plans to adopt for the 2021-22 school year for each grade level and core subject or core course.

If you have any questions or concerns, please submit a Help Desk ticket on the Instructional Materials and Implementation website.

## Other Course Certification

I certify that students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for all other courses in the required curriculum not

## School Board Certification

The district superintendent, along with the president and secretary of the local board of trustees, or officers of the governing body of the charter school, certify the following:

- 1) This district's instructional materials and technology allotment is used only for expenses allowed by the Texas Education Code (TEC), §31.0211.
- 2) For the current school year, this district has instructional materials that collectively cover all elements of the Texas Essential Knowledge and Skills of the required curriculum identified in the TEC, §28.002, other than physical education, for each subject and grade level (TEC §31.004).
- 3) Upon request, this district will provide to the State Board of Education the title and publication information for any instructional materials requisitioned or purchased by the district with the district's allotment (TEC §31.101).
