# ISIS is Not Islam

**Monday, May 16 7:00 p.m. Program Room**

Paris November 2015. Brussels March 2016. Recent headlines have decried terrorist attacks by ISIS and the news is filled with discussions of how to prevent future attacks and bring down ISIS. This informative program will give you a better understanding of both ISIS and Islam.

Presenter **David Carlson** will focus on what Americans need to know about ISIS, while **Muzaffar Ahmad**, who is involved with efforts to spread the peaceful teachings of Islam, will talk about different nationwide campaigns that aim to help non-Muslims distinguish true Islam from extremists.

**David Carlson** is Professor of Religious Studies, Franklin College, and the author of *Peace Be With You: Monastic Wisdom for a Terror-Filled World* and the forthcoming *Countering Religious Extremism: The Power of Spiritual Friendships*.

**Muzaffar Ahmad** works as an IT manager and volunteers as a spokesperson for the Indiana Chapter of Ahmadiyya Muslim Community USA. He is a board member of the Center for Interfaith Cooperation, and has spoken/written at several radio, TV and print media outlets locally and across the country.

## Aromatherapy Made Easy

**Wednesday, May 11 7:00 p.m. Program Room**

**Today many Americans are seeking non-traditional approaches to support good health and well-being. Aromatherapy using essential oils is one of the non-traditional methods used to help reduce anxiety, ease depression and boost energy levels.**

Explore 17 essential oils in this hands-on presentation by certified aromatherapist Jane VanOsdol. During the presentation we'll cover a brief history of aromatherapy, introduce the oils and their unique properties, discuss methods of application, and review cautions to keep in mind. No registration is required. For more information, call the Reference Desk at 844-3362.

## Sustainable Living Seminar: Water – Connecting the Drops

**Wednesday, May 18 6:30 p.m. – 8:30 p.m. Program Room**

Water is the most precious of life's commodities. Find out where our drinking water comes from and what Carmel and each individual can do to protect it. See what impact climate change is having on our water system.

Learn about the state of ground water and its impact on economic development, as well as the state of water throughout Indiana. Find out what happens when we have a heavy rain and how it impacts your storm drainage system.

These topics will be addressed by our expert panel: Sue Maki, Carmel Utilities Manager of Environmental Initiatives and Education; John Thomas, Carmel Storm Water Administrator; and Jill Hoffman, White River Alliance Executive Director.

No registration required. For more information, call the Reference desk at 844-3363, visit [carmelgreen.org](http://carmelgreen.org) or contact Madelyn Zalon at [mzalon@indy.rr.com](mailto:mzalon@indy.rr.com) or 317-815-9941. This event is sponsored by Carmel Green Initiative and the Carmel Clay Public Library.

The Entrepreneurship Carmel Workshop Series is presented by Mark A. Roger, a business expert with **FranNet MidAmerica**. This series of high-energy workshops is presented with the support of the **Indiana Small Business Development Center**. Register at [www.frannetmidamerica.com/events](http://www.frannetmidamerica.com/events).

## Best Business Practices

Tuesday, May 10 6:00 – 7:30 p.m. Program Room

A practical guide to business trends important to successful entrepreneurship in 2016. Join us as we identify these trends and learn to use them to your advantage as a business owner.

### Highlights include:

- identifying the state of the entrepreneurship marketplace
- evaluating the new business fundamentals and "profit models"
- understanding the new strategies of business ownership
- exploring the teachings of Shark Tank and The Profit
- discussing opportunities available for entrepreneurs in Carmel and Indiana

**Feature:** Ronda Crouch is an Economic Development Specialist with the Small Business Administration. She will share an overview of the SBA process and funding options available for start-ups and small businesses.

## Alzheimer's Personalized Featuring a screening of the short film *Dr. Gibson*

Monday, May 9 and Saturday, May 14  
7:00 p.m. 2:00 p.m.

Program Room

Alzheimer's is one of the most dreaded medical conditions of our time. For a school project, Justin Park, a sophomore at Carmel High School, created the short narrative film *Dr. Gibson*, about an Alzheimer's researcher who finds himself also dealing with the disease. The film personalizes Dr. Gibson's struggle. Justin will share why he wanted to make a film about Alzheimer's and talk about his first directorial experience.

**On Monday May 9** following the screening, a guest physician speaker will discuss what we know about Alzheimer's and the state of current research into this disease that affects more and more people every day.

**On Saturday May 14** following the screening, a representative from the Alzheimers' Association will talk about the activities of the organization and share care and support resources.

Registration is not required. For more information, call the Reference desk at 844-3362.

## Star Wars Day at the Library

Families with students in grades K-12

**MAY THE  
FOURTH  
BE WITH YOU**

Wednesday, May 4

Drop in between 6:00-8:00 p.m. Storytime Room

Is the Force strong with you? Come test your skills at Star Wars Day at the Library! Make your own lightsaber and challenge your Jedi skills with a bunch of different games. Dress up as your favorite hero or villain, and get your picture taken with some out-of-this-world characters. Families with children of all ages are welcome – from Padawans to Jedi Masters – although we do ask that little ones under the age of 6 be accompanied by a parent skilled with the Force. Drop into the Storytime Room anytime between 6:00-8:00 p.m.

These programs are featured events. For a complete listing of the library's programs for children, pick up a Children's Calendar at the Children's & Youth Services desk or visit

**Siblings are welcome. Pilgrim Lutheran Church is located at 3650 West 106th Street in Carmel. No registration is required.**

# TEENS

## AT LAST! MAY IS THE MONTH TO APPLY FOR THE TEEN LIBRARY COUNCIL!

Print off a Teen Library Council (TLC) information sheet and application from the library's website any time beginning May 1. Or pick them up at the YA desk. **Return your completed application to the YA desk by closing time on May 31.** Young Adult Services Manager Hope Baugh will contact you to set up an interview sometime in June or July. New members will be notified in August.

**Applications available at ([www.carmel.lib.in.us/teens/tlc.cfm](http://www.carmel.lib.in.us/teens/tlc.cfm))**

*You must be going into grades 7-12 for the 2016-2017 school year.*

**The Teen Library Council (TLC) is a dedicated group of teens who meet monthly with Hope and other YA staff to:**

- **Discuss and recommend books, movies, music, and more**
- **Help plan selected library programs such as the TLC's Yule Ball**
- **Give input on library issues related to teens**
- **Promote reading**
- **Promote use of the library**
- **Assist in selecting print books and eBooks to purchase for the library's Young Adult collections**

The Teen Library Council (TLC) is different from the library's Teen Volunteer Corps (TVC) in that it requires more from teens in terms of the commitment and the application process. You may apply for the TVC year-round but we only accept applications for the TLC in May.

Look for the Teen Library Council's **Choice Picks** at the top of the library's stairs. Three or more members of the TLC over the years have read and would highly recommend each of the books in that collection.

Look for the Teen Library Council's **Deserted Island Books** video on the TLC page of the library's website or on the library's YouTube channel. What one book would YOU want with you if you were shipwrecked?

**Current members** of the Teen Library Council will meet with YA staff on the following nights for our last group meeting of the 2015-2016 school year (each TLC member needs to attend only ONE of these). Come to the YA desk first to sign in and find out where we are meeting. Officers please arrive at 6:30 p.m.

**Tuesday, May 3**  
7:00 – 8:30 p.m.

**Wednesday, May 4**  
7:00 – 8:30 p.m.

**Thursday, May 5**  
7:00 – 8:30 p.m.

## Summer Challenge begins for all ages on Monday, May 16!

## Friday Night Game Challenge:

### Star Wars X-Wing Miniatures Game

**Friday, May 13 5:30 – 6:30 p.m.**

**Program Room**

**Ages: 10 to Adult**

**No Registration Required**

The Imperial Remnant, the premiere Star Wars gaming group in Central Indiana will be stopping by the library to demonstrate the Star Wars X-Wing Miniatures Game to any interested gamers or Star Wars fans who want to learn the basics of the game.

Star Wars X-Wing Miniatures Game is a tactical ship-to-ship combat game with fast-paced space combat. Featuring incredibly detailed painted miniatures, this game recreates exciting Star Wars space combat. Select your crew, plan your maneuvers, and complete your mission!

Gamers can also bring their own games to play or play one of ours if they aren't Star Wars fans. And don't worry – snacks and drinks are on us!

## Movie Screenings of *Dr. Gibson*

*Directed by Carmel High School  
sophomore Justin Park*

**Tuesday, May 3 or Thursday, May 5**  
4:00 p.m. Program Room

Come and watch *Dr. Gibson*, a 10-15 minute narrative film by high school student Justin Park. Justin will also be on hand to talk about his experience creating this work and all those who contributed to it. No registration required.  
**For more information, call the Young Adult desk at 814-3983.**
