

511 STUDENT FUNDRAISING

I. PURPOSE

The purpose of this policy is to address student fundraising efforts.

II. GENERAL STATEMENT OF POLICY

The school board recognizes a desire and a need by some student organizations for fundraising. The school board also recognizes a need for some constraint to prevent fundraising activities from becoming too numerous and overly demanding on employees, students and the general public.

III. RESPONSIBILITY

- A. It shall be the responsibility of the building administrators to develop recommendations to the superintendent that will result in a level of activity deemed acceptable by employees, parents and students. Fundraising must be conducted in a manner that will not result in embarrassment on the part of individual students, employees, or the school.
- B. All fundraising activities must be approved in advance by the administration. Participation in non-approved activities shall be considered a violation of school district policy.
- C. It shall be the responsibility of the superintendent to provide coordination of student fundraising throughout the school district as deemed appropriate.
- D. The school district expects all students who participate in approved fundraising activities to represent the school, the student organization and the community in a responsible manner. All rules pertaining to student conduct and student discipline extend to student fundraising activities.
