

Resolution 2009-10-04  
Support for Land Lab for MCSD FFA Program

**WHEREAS**, the Morrow County School District is interested in acquiring Umatilla Army Depot acreage near Irrigon for a land lab to provide agricultural field experience to MCSD students in our north end schools' FFA program; and

**WHEREAS**, the school district is limited with our current MCSD property in Irrigon and Boardman schools preventing us from starting a land lab previously; and

**WHEREAS**, this land lab would provide an increased ability to provide hands-on real life working experience that would result from a land lab; and would have a greater ability to attract students to the program; and

**WHEREAS**, this land lab would provide an excellent place for students to keep their animals for FFA projects and the county fair.

**THEREFORE, BE IT RESOLVED** that the Morrow County School District Board of Directors fully supports the acquisition of Umatilla Depot land to establish a land lab for MCSD students.

Adopted this 14<sup>th</sup> day of December, 2009.
