Enrollment is down to 200 at the high school campus.

Attendance is up slightly to 95.12% as a campus. This is a decent rebound from our recent flu season.

Semester Exams will be the last three days of the semester except for seniors. Seniors will take theirs a day early to allow teachers time to grade, ensure readiness for graduation and allow time for graduation practice. Teachers are preparing those now for review.

SLR – Our math team is working on our Student Level Review as an ongoing data file for school improvement purposes. We must input cycle grades and benchmark scores for OHS Math students each six weeks and turn this in to TEA.

Senior meetings – We have a few seniors in danger of not graduating; therefore, we have set up parent/student/teacher/counselor/principal meetings each 3 weeks to monitor these individuals. We are continuing to monitor and meet as needed.

Driver Education is being taught by Coach Tandy each morning at 6:30 am. Driving will occur this summer. He has also made arrangements to take the students to Angelo as a group to test.

One Act Play – As you are aware, Congratulations are in order for our One Act Play Group that has advanced from Zone to District. This competition will be Tuesday the 26th at Mertzon.

Power Lifting – As you are aware, Congratulations are in order for our girls and boys power lifters. Elizabeth Kennedy placed 2nd and Daisy Guerra placed 5th at state last week. Michael Vargas will be lifting at the state meet this Friday March 22.

Spring Activities –As you can see with our upcoming events, we have many spring activities the next few weeks. Please come support our kiddos.
