

# Loomis Saturday School

Closing the Expectation and Opportunity Gap

# Rationale for Saturday School

- Fostering a Positive Mindset Toward Learning.
- Reinforces the idea that learning is continuous and extends beyond the traditional school week.
- Provides a supportive and engaging environment where students are provided the opportunity for enrichment.
- Builds student confidence by offering targeted support that leads to measurable growth and success.
- Encourages a growth mindset by celebrating effort, improvement, and resilience in mastering academic concepts.

**GROWTH**

**MINDSET**

# Closing the Opportunity Gap for Students Needing Enrichment

- Ensures equitable access to additional learning opportunities for students.
- Provides personalized, small-group instruction tailored to individual student needs.
- Offers enrichment activities that deepen comprehension and allow students to engage in more rigorous, higher-order thinking.
- Supports students who may have faced interruptions in learning due to absenteeism, transitions, or other barriers.

## Increasing Instructional Time with Intentional Focus on Key Skills

- Aligns instruction with assessment systems to ensure students demonstrate proficiency on high-stakes exams.
- Uses data-driven strategies to target specific skill gaps and accelerate learning.
- Provides structured time for students to practice test-taking strategies and build confidence in academic assessments.

# Saturday School Impact

## School Year 22/23

- 77% of Saturday School participants passed at least one of their M-STEP Reading and Math Test with Proficiency and some scored an Advanced Score.

## School Year 23/24

- 100% of Saturday School participants passed at least one of their M-STEP Reading and Math Test with Proficiency, most passed both and some scored an Advanced Score.
- The two grade levels without participants in Saturday School made little to no gains in M-STEP proficiency.

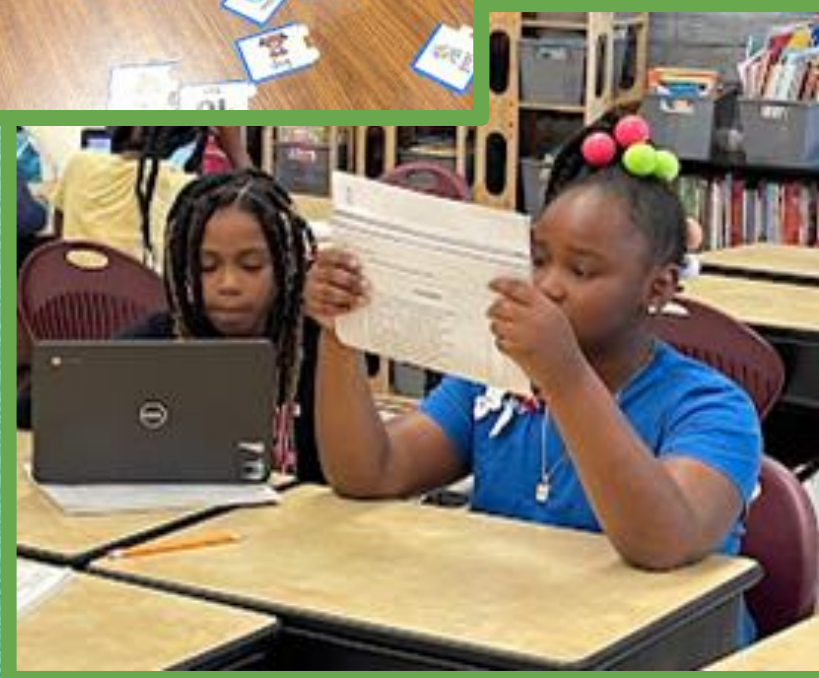

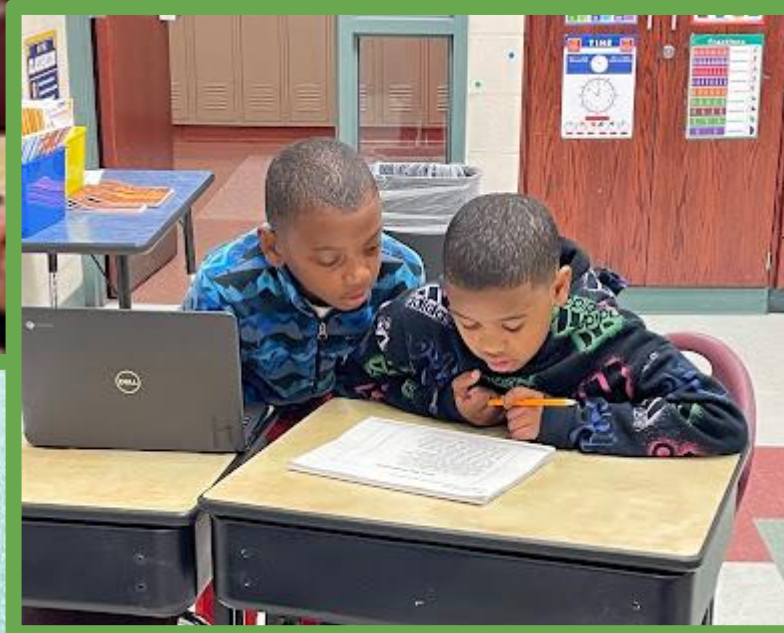

**DIFFERENCE**

**IMPACTFUL**

# Saturday School is....

- Starting in April, a shift will be made to open tutoring up to:
  - First graders
  - Second graders

**INTENTIONAL**  
**IMPACTFUL**  
**ENRICHING**  
**INSTRUCTIONAL**  
**DYNAMIC**  
**MAKING A DIFFERENCE!**
