

Addendum 1

Request for Proposal for SOLAR PHOTOVOLTAIV (PV) SYSTEM

Attached are the High School drawings.

The landfill area site is listed on the https://hosting.tighebond.com/NewFairfieldCT_Public. The primary capped landfill area is listed on the site as 41 Bigelow, but the Town could be interested in expanding beyond this parcel to the extent possible and acceptable to the Ton onto 33 Bigelow or to 32 Jewell.
