BACKGROUND:

Rotarians are People of Action Service Above Self

The Brownsville Historic Rotary Club continues to exemplify its commitment to service at home and abroad through its Five Avenues of Service, which serve as the foundation of the club's community involvement. For the past five years, the Rotarians have been dedicated supporters of the BISD Homeless Youth Connection Project. This year, The Rotarians, Dr. Mano Valderaz and Dr. Antonio Vasquez, along with the Los Fresnos Eye Clinic and Optical staff, are once again extending their generous support to our McKinney-Vento students. They provided free eye examinations and eyeglasses on Saturday, October 11, 2025. Their continued partnership demonstrates a shared commitment to ensuring every student has the resources needed for academic success. We sincerely appreciate their ongoing dedication and service to our students and community.
