

Career & Technical Education at Mary M. Knight

Our Mission

To ensure all students develop the knowledge, skills, character, and confidence to be successful citizens who are college ready, career ready, and life ready.

Our Vision

We are a community of learners and leaders united to create an environment where every student belongs, learns with purpose, and achieves their potential through our shared commitment to excellence.

What is Career & Technical Education?

A planned program of courses and learning experiences that:

- Explores career options through hands-on learning
- Integrates academic and technical skills
- Provides industry-recognized credentials
- Connects classroom learning to real-world careers
- Prepares students for workforce, apprenticeships, or college

Aligning with Washington State CTE Standards

	Sequenced Courses	Progressive, technically-intensive curriculum
	Academic Integration	Math, English, and Science embedded in CTE
	Credentials	Industry-recognized certifications and credentials
	Work-Based Learning	Job shadows, internships, mentorships, and paid experiences
	Leadership	SkillsUSA competitions and student organizations
	College Credit	Dual credit through articulation agreements
