Presentations/ Recognitions Each year the Texas Association of School Boards (TASB) honors businesses and organizations for their support and exceptional advocacy of local schools. This state-wide honor, as part of “Stand Up for Texas Public Schools,” recognizes local businesses and community organizations who partner with districts, making a difference in the lives of local public school students.

For the second consecutive year, our partnership with Huffines Subaru has resulted in supplies for our students and staff at Borman Elementary. Previously, they donated \$5,000 to purchase supplies for students. This fall the organization celebrated our educators by donating \$250 for each classroom teacher to purchase supplies for their classroom.

The \$12,500 made a difference in each of our educator’s “Back-to-School” experiences and cemented Huffines Subaru as a perennial partner for the campus.

As a top-level Adopt-A-School partner, the organization supports, both financially and philosophically, district-wide initiatives due to its belief in public education and commitment to providing access and opportunities for all.

Improvement Plans The Campus Improvement Planning is compiled after each district campus leadership team completes a campus comprehensive needs assessment. The purpose of this report is to share each campus improvement plan with the board to show how our goals and action steps are aligned to board goals, district goals, and campus goals. The plans are a working, living document that provide each campus a pathway for student success. This report will show each campus goal (s), action steps to reach that goal, any financial implications, persons responsible, and a timeline for achieving the goal. The CIP's will highlight the great work our district is doing to support student achievement, student engagement, and social/emotional learning.
