WHAT DO I DO NEXT?

If you like the proposal, we can set up a tour agreement and confirm your group. If there is something you want to change, let us know and we can send you a revised quote. Everything is completely customized and we would be happy to make any changes that you wish. Once you decide on a final trip itinerary we will issue a tour agreement that will outline the payment terms for your group. At that time you can choose to handle the participant registration yourself or via a customized trip website that we can create.

RESERVATIONS / BOOKING CONDITIONS

- This quote is valid for fifteen days. We will issue a tour agreement and confirm all services upon your request. No space is currently reserved and prices are not guaranteed until the tour agreement is signed by both parties and your deposit is received.
- Prices are based on the number of paying passengers specified and are subject to change if the minimum number indicated is not booked. Prices vary based on the number of people sharing each room. Each room will hold up to four people and prices have been given based on either one, two, three or four people sharing a room.
- There are no hidden costs or extra fees. If an attraction or location with an admission charge is listed on "Package Includes" then the cost to enter is included. We do not charge higher prices for adults. All participants pay the same price! Current volatility and extreme increases in the cost of fuel has made it necessary to let you know about the possibility of a fuel surcharge. In the past we have always absorbed these charges but we do reserve the right to pass increases (due to fuel costs) imposed by our transportation suppliers on to you. These surcharges have typically been between 1% to 4% of your trip cost.
- A deposit is required with your signed tour agreement to confirm space.
- Final balances and a final rooming list are due sixty days prior to departure.
- Travel insurance is available and strongly recommended. It enables individuals to cancel and receive a full refund due to a family or medical emergency or to cancel for any reason at all and receive a 70% refund. It also provides trip delay coverage in the event of service delay or cancellation by a common carrier.
