

## Annual Compliance Overview

Minnesota Statutes 2024, section 124D.78 requires Minnesota districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the Statutes cite that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

Districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for AIPAC members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

## The Vote and Resolution

Parent Committees receive data from the district on whether or not the district has met the needs of American Indian students using the goals from the program plan submitted and approved by MDE. The AIPAC votes on how the district is achieving and accountable to the goals. The AIPAC should work with administration to fill out the Program Plan Review. This vote is formally reflected on the annual compliance documents. Members of the AIPAC present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to OAIE.

# American Indian Education Aid Program Plan Review

This document serves as the foundation for how your district or school is fulfilling the measurable goals of the program plan, reviewed and approved by the Office of American Indian Education (OAIE) at the Minnesota Department of Education. This document is necessary to submit to be eligible for American Indian Education Aid next year.

Under Minnesota Statutes 2024, section 124D.81, subdivision 3, districts and schools should be identifying American Indian students and tracking their data and progress towards positive educational experiences.

## Directions

This document should be completed with the American Indian Parent Advisory Committee (AIPAC) and district staff that work primarily with American Indian students. Both the AIPAC and district staff will meaningfully and authentically collaborate to complete this document which will be uploaded with your compliance documentation. The resolution must be accompanied by Parent Advisory Committee meeting minutes that show they have been appraised by the district or school on the goals of the Indian Education Program Plan and the measurement of progress toward those goals as required by Minnesota Statutes 2024, 124D.78, subdivision 2.

Using the approved American Indian Education Aid application that was submitted, communicate how the district or school has progressed towards all the goals outlined within each narrative for areas 1-6. Data should be shared with the AIPAC in order to concur with the district plan. Additionally, the Self-Assessment Rubric is another useful tool for AIPACs to understand programming and to vote on concurrence.
