Maintenance Board Report 07.10.24

June 3rd there was the districts state fire Marshall inspection, with a few items that need to be addressed.

On June 11th JCI (Johnson Control Inc.) performed fire panel and alarm systems inspections.

June 26th through the 28th, the Craig youth center used a district van to take several kids on field trips to Kassan.

The districts summer maintenance list is keeping the maintenance department busy. Middle school classroom carpets are getting cleaned along with hallway floors getting striped and waxed. The science room will be getting painted, and the floor waxed and polished. The staff bathrooms are also getting painted.

The elementary school carpets have been cleaned and touch up paint has throughout the school started. The kindergarten classroom and their bathroom is getting painting, and the hallway floor are going to be polished.

The high school has been pressure washed and the order of stain will be here the week of July 8th. We have been working on staff work order requests in the high school and are putting together all the furniture that has been order for the staff break room, along with a couple new outside park/picnic style tables.

Head start deck is almost completed and there are some inside lighting issues that need to be addressed.

Fleet maintenance thus far, bus #02 we are replacing the front kingpins and wheel bearing. Bus #01 replacing front brakes and a water repay heating valve along with oil changes in all five vans and all four buses. Bus #04 needs new window emergency exit switches and brakes adjusted. State bus inspections are also coming up in mid-August.
