Mountain Pine School District

The district is applying to extend our school day for 30 minutes for 24 days, instead of adding two days to the end of our school calendar. This will make up for the two days we did not have instruction (720 instructional minutes) during the inclement weather in February. One of the requirements in the application is evidence of district support (teacher and parent) of the waiver extension. If you support the waiver extension, please sign your name below.

If you are a parent or guardian of a student at Mountain Pine, please indicate next to your signature.
