### Approach To Project

Provide a professional resume description of each of your experience in older building/Historical building projects. Describe your skills and experience and expertise assessing condition of building components and communication results. Describe the proposed roles and responsibilities of key architectural and consultant personnel for this project.

#### **The District reserves the right to:**

Reject any or all proposals received as a result of this RFQ; select all or part of the respondent's proposal; negotiate changes in the scope of work or services to be provided; conduct investigations required to determine the submitting firm's or individual performance record and ability to perform the assignments specified as a part of this RFQ; negotiate separately with any source in a manner deemed to be in the best interests of the District.

If, through any cause, the contracted firm or person shall fail to fulfill in a timely and proper manner its obligations under any future agreement, or if the firm or person shall violate any terms, or conditions of the said agreement, then the District can cancel the contract without prejudice by giving at least five (5) days prior written notice to the firm of such termination
