

Sixth graders learning to cross-stitch.

Seventh graders constructed survival ladders.

After School Rec hits the lanes!

The ProStart I students made goat milk mozzarella cheese.

The elementary students visited Saunders farm to cut their Christmas trees, a tradition that takes place each year at Indus School.

2017 Renaissance Fair.

The fourth grade celebrated an early Thanksgiving dinner together compliments of the talented cooking staff at Indus. It was a time to talk, share about our lives, and just enjoy each other's company. Pumpkin pie and whip cream supplied by Mrs. T., laughter, smiles, and great stories provided by the students!

A presenter from Servants of Shelter in International Falls visited the high school today as part of National Hunger and Homelessness Week to create awareness of the need for housing locally and to explain what is being done to help those in need.

Mindy Baker from Baudette came in to teach the 6th graders how to make willow baskets from willow canes.
