RE; Vehicles to remove:

These vehicles need to be removed from service. Either sold or donated as they are no longer in use.

Old Vans to dispose of:

Van 28, 280,000 miles is a 2010 Ford, VIN 1FMNE1BW0ADA08541 Leaks all fluids, is rusted and unreliable. It has a KBB value of \$2134 and would cost over \$10-15,000 in parts/labor to be usable.

Van 29, 264,000 miles is a 2010 Ford, VIN 1FMNE1BW4ADA07120 It has a blown motor, doesn't run and is rusted. It has a KBB value of \$1134 and would cost over \$12-15,000 in parts/labor to be usable.

Van 30, 280,000 miles is a 2010 Ford, VIN 1FMNE1BW1ADA8543 Has multiple bad cylinders, is rusted and unreliable. It has a KBB value of \$2134 and would cost over \$10-15,000 in parts/labor to be usable.

Van 35, 246,000 miles is a 2010 Ford, VIN 1FMNE1BW8ADA07119. It has some rust and high miles. Is over 15 years old. A more reliable replacement van has already been purchased.

Van 10, 210,000 miles is a 2010 Ford, VIN 1FTSE34S67DB38992. It was used previously to store chemicals in the back of it. It has no seats in the back and hasn't run in years. It's just taking up space in the garage and we have no use for it.

Diesel Bus to sell/donate:

Bus 43, is a 2010 IC bus, VIN 4DRBUSKP7AB235547. It's over 15 years old, with over 120k mile. It would need extensive work completed to put it back into service. Recommendation is to sell or donate it.

Propane buses to sell/donate:

Bus 19, is a 2015 Propane Bluebird, VIN 1BAKGCBH8FF313192. Bus hasn't moved in over 1.5 years. If we were to get it functional again, would take extensive work and money for a bus that's 10 years old.

Bus 85, is a 2016 Propane Bluebird, VIN 1BAKGCBH2JF336170. Bus hasn't moved in over 1.5 years. If we were to get it functional again, would take extensive work and money for a bus that's 10 years old.

Bus 87, IS A 2016 Propane Bluebird, VIN 1BAKGCBH4JF336171. Bus hasn't moved in over 1.5 years. If we were to get it functional again, would take extensive work and money for a bus that's 10 years old.
