

Career Connect
Center of Excellence Update

Providing learners with transformative experiences, skills, relationships, and resources needed to support lifelong career development

Month: December 2024

Administrator: Eric Stewart, Sarah Mansberger, Paige Daniels

Update:

WMU Innovation Expo: In alignment with Career Connect’s commitment to fostering entrepreneurship, Career Development Consultants and Youth Services staff supported student participation in the recent WMU Innovation Expo. Linden Grove students engaged in the Career Connect Idea Slam unit to prepare for the Expo and their team won 1st place! The Idea Slam unit offers entrepreneurial and design lessons for students centered on the question “What problem do you want to solve?”.

Career Connect Campus – Equipment Purchase: The attached memo details equipment and hand tools for the manufacturing pathway (Machine/Tool, Welding, Supply Chain, and Mechatronics) and Transportation, Logistics, and Distribution (Auto Tech and Heavy Equipment/Diesel) that we are recommending to the board for purchase.

Action Item: Approval Required – Career Connect Campus Equipment/Hand Tool Purchase

Fiscal Impact:
