Re: 2013 Bond Quarterly Dashboard Report

I would like to request adding an agenda item to the May 21, 2018 Committee of the Whole meeting for Plante Moran CRESA to share with the Board the Quarterly Dashboard Report for the 2013 bond projects (through March 31, 2018). This will be Plante Moran CRESA's general report for the first quarter of 2018.

Thank you.
