Students are placed through each District's respective Admission, Review and Dismissal Committee ("ARDC") as a result of meeting the established criteria for placement in a more restrictive setting, for 100% of the school day. Students will have dedicated access to specialized instruction, positive behavioral supports and interventions, student counseling and mental health services, intensive case management and other services as more fully described in the SESI Contract. Each District retains ultimate control of its own educational programs and policies, including without limitation grades and advancement issued for its students and the assessment and assignment of any special education services to its students.

- C. Upon placement with the Program, SESI shall be responsible for performing the scope of programming and services as outlined in the Contract. AISD does not provide to BISD any warranty or guarantee regarding those services to be provided by SESI but rather disclaims any such warranty or guarantee. SESI shall be liable and contractually obligated to each of the Districts as members of the SSA.
- D. The Term of the Program and this Agreement shall be from August 18, 2026 through July 31, 2027 (the "Term"), at which time this Agreement shall terminate.
