Subject: Re: Miss Southwest Texas pageant participants

The Southwest Texas Pageantry is a distinguished competition open for all girls in qualifying divisions from the Southwest region. It was hosted on July 23, 2016 in Laredo, TX. This competition is a great

opportunity for girls to showcase their beauty, physical fitness, intellect, public speaking, interview techniques, self-confidence, and grace. Most importantly, this pageant provides a visible platform from which personal and community ideals can be voiced and recognized. We hope to bring these ideals to our school district and target anti-bullying. We would also like to make a donation of school supplies to students in need.

Thank you
