

Starting Friday, December 2, 2022

Non-negotiables:

- +Students who are failing ANY core area will attend a 'tutoring' session for that area.
- +There are four blocks with 4-5 people in each block assisting students with make-up assignments
- +Teachers will need to post their grades by Thursday at 3 so the report can be run for Friday morning
- +Each block will be 81 minutes long
- +You will take your 45 minute plan during the day, please make arrangements with the team you are working with
- +Monitors:
A Wing Gail Oscar
C Wing John McClure
- +Science will be in their rooms, teachers please move between the class to assist each other
- +Teachers who are not monitoring an area will have activities happening in D Wing, Band Room, Gym, etc
- +Students who complete their work during the block - MUST stay in the block, they are currently in, until the next block
- +Study Hall in the Library, students who are willing to help with tutoring, can they receive 'Community Service Hours'? Students wanting to participate, will sign up for the subject they would like to tutor. They will only be allowed in the Library if there are students who need tutoring in the area they signed up to tutor
- +Work that is completed on Friday's will not be graded until the teacher has time to do so, please be aware
