The parties referred to in this document are the United States Department of Education, the Bureau of Indian Affairs of the United States Department of Interior, the United States Department of Agriculture, and the United States Department of Labor, all herein referred to as the "DEPARTMENT," and the State Board of Education of the State of Arizona, herein referred to as the "STATE AGENCY," and the local educational agency, herein referred to as the "SUBGRANTEE,"

Amphitheater Unified District

The STATE AGENCY may make funds available to the SUBGRANTEE for programs operated by the SUBGRANTEE in accordance with requirements and regulations applicable to such programs. Misrepresentation of information on grant applications can result in termination of program participation.

Consistent with 34 C.F.R. Sections 76-85, the SUBGRANTEE assures, if awarded a grant, sub-grant, or contract:

1. That the SUBGRANTEE will accept funds in accordance with applicable Federal and State statutes, regulations, program plans, and applications, and administer the programs in compliance with all provisions of such statutes, regulations, applications, policies and amendments thereto.
2. That the control of funds provided to the SUBGRANTEE under each program and title to property acquired with those funds will be in a designated eligible recipient and that a designated eligible recipient will administer those funds and property.
3. That the SUBGRANTEE has the necessary legal authority to apply for and receive the proposed grant or sub-grant and enter into the contract.
4. That the SUBGRANTEE will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organization" utilizing generally accepted accounting principles (GAAP). That the SUBGRANTEE will furthermore utilize competitive bidding practices in compliance with applicable procurement regulations.
5. That the SUBGRANTEE will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, Federal funds paid to that agency under each program.
6. That the SUBGRANTEE will make reports to the STATE AGENCY and to the DEPARTMENT as may reasonably be necessary to enable the STATE AGENCY and DEPARTMENT to perform their duties (e.g. Monthly cash management report, completion report, other required reports by a program)
7. That the SUBGRANTEE will maintain records, including the records required under Section 443(a) of the General Education Provisions Act ("GEPA"), 20 U.S.C. § 1232f, and provide access to those records as the STATE AGENCY or DEPARTMENT and the Comptroller General or any of their authorized representatives in the conduct of audits authorized by Federal Law or State Statute. This cooperation includes access without unreasonable restrictions to its records and personnel for the purpose of obtaining relevant information.
8. That the SUBGRANTEE will provide reasonable opportunities for participation by teachers, parents, and other interested agencies, organizations and individuals in the planning for and operation of each program.

9. That any communication, evaluation, periodic program plan or report relating to each program will be made readily available to parents and to other members of the general public.
10. That in the case of any project involving construction, the project is not inconsistent with overall State plans for the construction of school facilities, if applicable; and in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed under Section 504 of the Rehabilitation Act of 1973 and applicable provisions of Chapter 4 of Title 34, A.R.S., in order to ensure that facilities constructed with Federal (which become subsequently State) funds are accessible to and usable by handicapped individuals.
11. That the SUBGRANTEE has adopted effective procedures for: Acquiring and disseminating to teachers and administrators participating in each program, significant information resulting from educational research, demonstration and similar projects; and Adopting, if appropriate, promising educational practices developed through those projects.
12. That no person shall, on the ground of race, color, national origin, handicap, or sex be excluded from participation, be denied the benefits, or be otherwise subjected to discrimination under any program or activity for which the SUBGRANTEE receives Federal financial assistance. Admissions policies for private schools are understood and agreed to be part of such programs. In this vein, the SUBGRANTEE agrees to assure compliance with the Governor of Arizona's Executive Order 99-4 prohibiting discrimination in employment, as well as Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d *et seq.*); Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681-1683); Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); the Age Discrimination Act (42 U.S.C. § 6101 *et seq.*); and the Americans with Disabilities Act ("ADA") (42 U.S.C. § 12101 *et seq.*)
13. That the SUBGRANTEE may not use its Federal or State funding to pay for any of the following: A. Religious worship, instruction, or proselytization. B. Equipment or supplies to be used for any of the activities specified in paragraph 13A, herein. C. Construction, remodeling, repair, operation, or maintenance of any facility or part of a facility to be used for any of the activities specified in paragraph 13A, herein. D. An activity of a school or department of divinity. A school or department of divinity is defined in 34 C.F.R. § 76.532(b).
14. That no Federal funding may be used for the acquisition of real property unless specifically permitted by the authorizing statute or implementing regulations for the program.
15. That the SUBGRANTEE may not count tuition and fees collected from students toward meeting matching, cost sharing, or maintenance of effort requirements of a program.
16. That the SUBGRANTEE shall, to the extent possible, coordinate each of its projects with other activities that are in the same geographic area served by the project and that serves similar purposes and target groups.
17. That the SUBGRANTEE shall, to the extent possible, if its project includes activities to improve the basic skills of children, youth, or adults, coordinate its project with other basic skills activities that are in the same geographic area served by the project. Basic skills mean reading, mathematics, and effective communication, both written and oral.
18. That the SUBGRANTEE shall continue its coordination with the STATE AGENCY during the length of the project period.

19. The SUBGRANTEE shall cooperate in any evaluation by the DEPARTMENT.

20. That if a program so requires, provisions shall be made for the participation of children enrolled in private schools in the area to be served. Such provision shall:
A. Provide private school students with a genuine opportunity for equitable participation. B. Provide an opportunity to participate in a manner that is consistent with the number of eligible private school students and their needs. C. Maintain continuing administrative direction and control over funds and property that benefit students enrolled in private schools. D. Comply with the requirements of 34 C.F.R. §76.652 through 76.662.

21. That no provision of any law shall be construed to authorize the consolidation of any applicable program with any other program, such as the commingling of funds derived from one appropriation with those derived from another appropriation.

22. That funds will be used to supplement and not supplant State and local funds expended for educational purposes and, to the extent practicable, increase the fiscal effort that would, in the absence of such funds, be made by the SUBGRANTEE for educational purposes.

23. That the SUBGRANTEE will comply with all relevant laws relating to privacy and protection of individual rights including 34 C.F.R. Part 99 (Family Educational Rights and Privacy Act of 1974).

24. That the SUBGRANTEE will comply with any applicable federal, state and local health or safety requirements that apply to the facilities used for a project.

25. That it shall maintain records for 5 years following completion of the activities for which the SUBGRANTEE uses the federal or state funding and which show: A. The amount of funds under the sub-grant or grant. B. How the SUBGRANTEE uses the funds. C. The total cost of the project. D. The share of that total cost provided from other sources

26. If real property or structures are provided or improved with the aid of Federal financial assistance, the SUBGRANTEE will comply with applicable statutes, regulations and the project application in the use, encumbrance, transfer or sale of such property or structure. If personal property is so provided, the SUBGRANTEE will comply with applicable statutes, regulations and the project application in the use, encumbrance, transfer, disposal and sale of such property.

27. That in the event of a sustained audit exception, and upon demand of the STATE AGENCY, the SUBGRANTEE shall immediately reimburse the STATE AGENCY for that portion of the audit exception attributable under the audit to the SUBGRANTEE, but shall also immediately reimburse the STATE AGENCY expenses in defending the audit exception, including and not limited to travel and attorney's fees, in an amount proportional to the amount of the audit exception attributable to the SUBGRANTEE. The SUBGRANTEE agrees to hold the STATE AGENCY harmless for any audit exception arising from the SUBGRANTEE's failure to comply with applicable regulations.

28. That the SUBGRANTEE is aware all Federal funds granted to it are conditioned upon the availability and appropriation of such funds by the United States Congress and are subject to reduction or elimination by the United States Congress at any time, even following award and disbursement of funds. The SUBGRANTEE shall hold the STATE AGENCY harmless for any reduction or elimination of Federal funds granted to it. In the event of non-appropriation and notice, the SUBGRANTEE shall immediately cease further expenditures under any project.

29. That the SUBGRANTEE is in compliance with State and Federal laws and regulations.

30. This assurance is given in consideration of and for the purpose of obtaining any and all grants, loans, contracts, property, discounts or other financial assistance extended after the date hereof to the SUBGRANTEE by the DEPARTMENT, through the STATE AGENCY, including installment payments, after such date on account of applications for financial assistance which were approved before such date. The SUBGRANTEE recognized and agrees that such financial assistance will be extended in reliance on the representations and agreements made in this assurance, and that the United States and the State of Arizona, individually or jointly, shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the SUBGRANTEE, its successors, transferees and assigns. The person or persons whose signatures appear below are authorized to sign this assurance on behalf of the SUBGRANTEE.

31. FFATA (Federal Funding Accountability and Transparency Act) Reporting Requirements

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable web-site, which is www.USASpending.gov.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime grants recipients, e.g. Arizona Department of Education) use to capture and report sub-award and executive compensation data regarding their first-tier sub-awards to meet the FFATA reporting requirements. Prime grant awardees (e.g. Arizona Department of Education) will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

In accordance with 2 CFR Chapter 1, Part 170 REPORTING SUB-AWARD AND EXECUTIVE COMPENSATION INFORMATION, Prime Awardees (e.g. Arizona Department of Education) awarded a federal grant are required to file a FFATA sub-award report by the end of the month following the month in which the prime awardee awards.

As a condition of receiving funds through Arizona Department of Education, a local education agency shall certify in writing to the Arizona Department of Education that a local education agency met the annual CCR (Central Contractor Registration) requirement and DUNS requirement. Please provide the following information. This information will be used by the Arizona Department of Education as a prime recipient to meet FFATA reporting requirements.

1. Please attach a copy of your current CCR Registration.

2. Provide the LEA/Organization DUNS Number 07-4470964

3. Congressional District where your LEA or organization resides 7

4. Zip + 4 85705-1547

* Check to see if your organization is already registered at the CCR web-site. You will be able to search CCR (<https://www.bpn.gov/CCRSearch/Search.aspx>) by using either your organization's Data Universal Number System (DUNS) number or legal business name. Your organization needs to renew their CCR registration each calendar year.

* You will be able to search the existing DUNS number or request a new DUNS number via D&B website at <http://fedgov.dnb.com/webform>

A Data Universal Numbering System (DUNS) number is a unique, non-indicative 9-digit identifier issued and maintained by D&B that verifies the existence of a business entity globally. D&B assigns DUNS numbers for each physical location of a business. All U.S. Government contractors/grantees globally can receive a DUNS number at no charge and, under normal circumstances, within 24-72 business hours when using the D&B web form process by accessing: <http://fedgov.dnb.com/webform>. The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as grants and sub-grants. See 31 U.S.C. 6101 note. One of the data elements required is the unique identifier of the entity receiving the award. All sub-awardees required to have a DUNS number as an unique identifier.
