

**Cameron Middle School
Board Report
October 27, 2025**

Recognition

Congratulations to our October Students of the Month!

Grade 5 - Harper Ebner and Desmond Kittleson

Grade 6 - Eleanor Huseth and Sawyer Marshall

Grade 7 - Eleanor Rykal and Hudson Sisko

Grade 8 - Gracie Blood and Eric Jenneman

Student Activities

10/3 - 6th Grade students participated in the Barron County Conservation Tour. This tour includes a look into water, soil, and recycling and trash programs around the county.

10/13-10/17 - Homecoming Week w/dress up days. Flag Football tournament to cap off the week.

10/21 & 10/28 - Fall Choir and Band Concert for Grades 5-12 were held. Our music programs have a large number of students participating and provide some beautiful music. It is obvious a good deal of learning has happened.

10/1 & 10/30 - Mrs. Cornell hosted Art Club events with about 30 members. Student participation has been very consistent at each event. Mrs. Cornell hosts 1-2 events each month for Art Club students in grades 5-8.

Staff Activities

10/1 - Mr. Rykal and Mr. Schmidt attended an English Language Learners (ELL) compliance workshop. During this workshop we discussed standards for English Language Learners.

10/9 - School Counselors, Principals, and SRO Krahenbuhl met with Barron County DHHS to discuss truancy, protocol, and program availability to best help students with attendance concerns as well as errors in thinking issues.

10/21 - Chris Crowe, Jolene Severt, and Hans Schmidt attended a Screen, Brief Intervention, and Refer to Therapy (SBIRT) training in Tomahawk. The heart of SBIRT is Motivational Interviewing, which is a technique that encourages people to move in a positive direction.

10/22 - CMS Staff Meeting to discuss Educator Effectiveness Observations and Fall Engagement Survey results. Congratulations to staff and students from 2024-2025 on "Exceeding Expectations" once again. Our strongest indicator areas are Growth and Readiness to Graduate.

Mid-September to Present - Utilizing FastBridge data teachers have been implementing interventions during WIN time. The main focus areas are Math and Reading during this time. Seeing a need for organization as well.

Upcoming Events:

11/5 - October Monthly Activity - Skate City and Movie

11/6 - District Wide Parent/Teacher Conferences - 12:00 - 8:00 pm

11/11 - Veterans' Day - TBD

11/21 - End of Trimester One

11/24 - 11/28 - Thanksgiving Vacation - No School for Students
