

## Summer Temporary Employees

**Background:**

Although the school term has concluded, a number of school activities extend throughout the summer. At a previous meeting, the school board approved the following budget and positions for summer maintenance:

Work Assignment	Hourly Wage	Total Hours*	Total Wages
• Painting/Maintenance Lead (1)	\$15.00	320	\$4,800
• Painting/Maintenance Crew (4)	\$10.00	4 x 320 = 1,280	\$12,800
• Computer Maintenance (2)	\$10.00	2 x 160 = 320	\$3,200
<b>TOTAL</b>			<b>\$20,800</b>

**Recommended Action:**

I recommend a single motion for the board approve the personnel assignments for temporary summer duties:
