

# Executive Summary

August 11, 2009

## Proposed Closing of Robertson Street for New Rail Line – Denton County Transportation Authority

---

### Board Goals:

- III. Climate... In pursuit of excellence, the district will:
  - a. Celebrate and respect the diversity in our Denton ISD Community.
  - b. Promote and nourish a safe learning and working environment which is supportive, cooperative, and ensures open communication.
  - e. Motivate and prepare students to embrace their full responsibilities as active citizens of their community, nation, and world.
- IV. Parent and Community Involvement... In pursuit of excellence the district will:
  - a. Foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students.
- VI. Growth & Change... In pursuit of excellence, the district will:
  - b. Be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures.

### Purpose of Report

The Board will discuss and consider the proposed realignments to Robertson Street adjacent to Fred Moore High School for the purposes of a new rail line by the Denton County Transportation Authority.

### Objectives

- To discuss impact of rail line near school property.
- To select design for the modifications of Robertson Street.

### Operational Impact

- 1) Possible modification of transportation routes due to the closing of Robertson Street.
- 2) Coordinate with Safety and Security representatives within the District and City of Denton on emergency procedures due to proximity of rail line to school.

### Results

The Board will be specifically asked to provide direction on modifications to Robertson Street.
