2. Background:

Rich Sena has served as a board of trustee since May 2014. During that time, he has attended every TASB SLI convention and completed Leadership TASB during the 2019-20 school year. He had the opportunity to visit districts across our great state and see the many wonderful things being accomplished for Texas' 5.4 million public school students. Along with other trustees from Boerne, he has participated in numerous presentations and workshops at various SLI and TASA/TASB sessions. One of his priorities as a trustee has been to be heavily engaged in legislative activities and develop strong relationships with our legislators. He has worked with the other Region 20 TASB directors to promote increased involvement of our school districts. Region 20 had the second highest participation rate in the state during the last Delegate Assembly and also saw a significant increase in the response rate to the 2025 TASB member survey.
