STUDY SESSION Monday, August 8, 2022 SPMS-Media Center 6:30PM

II. Equity Workshop with Longview Education

Subject: Equity Workshop with Longview Education

Background: Through a grant made available by the South Central Service Cooperative (SCSC) the Saint Peter School Board will be working with Longview Education to develop a deeper understanding of education equity in our community. This will be a six month process with study sessions scheduled once per month. The desired outcome of the training is to develop a belief statement regarding Education Equity for the Saint Peter Public Schools.
