## MEMORANDUM

**To:** Samuel Mijares, Superintendent

**From:** Patrick Salinas, Instructional Technology Director

**Date:** April 27, 2023

**RE:** TEKS CERTIFICATION 2023-2024 FORM

---

In accordance with Texas Education Code §31.004, districts are required to certify annually to the State Board of Education (SBOE) and the Commissioner of Education that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all subjects, except physical education. Districts will be unable to order 2023-2024 instructional materials through the EMAT system until the certification has been received by the Texas Education Agency (TEA).

Additionally, in accordance with Texas Administrative Code 19 TAC §66.105, districts are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C). The TEKS Certification 2023-2024 Survey includes a section to allow districts to certify they meet this requirement.

Responses on the TEKS Certification 2023-2024 Form were populated with information submitted by all Content Area Directors. As a guideline, Eagle Pass ISD only adopts instructional materials that have been reviewed and adopted by the State Board of Education and cover 100% of the Texas Essential Knowledge and Skills (TEKS) for the subject area. All instructional materials requisitioned or purchased by the district utilizing TIMA funds are identified and tracked by our TIPWeb Instructional Materials Management System. I am submitting the attached TEKS Certification 2023-2024 Form for school board review and certification.

Approved: \_\_\_\_\_

David Camarillo, Executive Director for Instruction

## Survey Pre-Work:

### TEKS Certification 2023–24 Form

In accordance with [Texas Education Code §31.004](#), local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C). The TEKS Certification 2023–24 Survey includes a section to allow LEAs to certify they meet this requirement.

In response to feedback from last year's process, the agency refined the TEKS Certification Process and will utilize the following tools:

#### **TEKS Certification 2023-24 Form:**

Printable, hard copy of the survey to be completed offline and presented to the board of trustees or governing body for ratification and signatures.

#### **TEKS Certification 2023-24 Survey:**

Web-based application where LEAs will submit their responses, collected on the TEKS Certification 2023-24 Form, and where LEAs will upload the signature page of the Form.

This year's TEKS Certification Process requires:

- The completion of the TEKS Certification 2023-24 Form,
- Ratification by the LEA's board of trustees or governing body in an open, public-noticed meeting; and
- Submission of the TEKS Certification 2023-24 Survey and upload of the signature page of the ratified TEKS Certification 2023-24 Form.

TEA recommends that LEAs complete these steps by **May 1, 2023**. The TEKS Certification 2023-24 Survey can be accessed beginning on March 20, 2023, on the [Instructional Materials webpage](#).

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2023, and is scheduled to reopen on May 15, 2023. **Completion of the TEKS Certification Process is required to regain access to allotment funds when EMAT reopens in May of 2023.**

TEKS Certification 2023–24 Survey submissions received after May 15, 2023, will typically be processed within five business days, then access to EMAT provided.

## Instructions to Complete the TEKS Certification Process for 2023-24

1. **Review the TEKS Certification 2023-24 Form.**

4. **Obtain needed signatures:** Ratify the **TEKS Certification 2023-24 Form** by the LEA's board of trustees or governing body in an upcoming, open board meeting.
