**NEW POSITION**

**1 – Special Education Teacher – Windsor Elementary School**

Due to an increase in the number of students qualifying and enrolled at Windsor Elementary School, there is a need to hire an additional teacher in order to meet workload requirements and to support the needs of students with IEPs as required by the IDEA.

**1 – ESL/Bilingual Teacher – Rock Cut Elementary**

Due to the increased enrollment of Multilingual Learners (MLs) and Newcomers in the district, there is a need for an additional ESL/Bilingual teacher who will provide the support that our MLs need to develop their language and academic skills. We currently have 10 ESL/Bilingual teachers who might be providing support to the maximum allowed caseload of 35 MLs and/or might be providing services in up to 8 different classrooms as stated in the CBA.

**1 – Para Educator (Level A) – Parker Center**

Due to the increased number of Multilingual Learners and Newcomers in the kindergarten HoLA classroom, there is a need for a bilingual para educator who can provide additional academic and social/emotional support to our Multilingual Learners who have limited English language skills.
