

Consider approval of the 2025-2026 MOU with TAMUSA La Familia Program

1. Background:

The Texas A&M University La Familia Program will provide parents the knowledge and tools to support their students in the areas of goal setting, college transition and awareness of college access and financial aid through a six-session program.

2. Process:

The La Familia Program will serve Southwest High School, Southwest Legacy High School and CAST STEM High School parents. TAMUSA will provide the trainer(s), training supplies and all materials needed. SWISD will provide an adequate location for the sessions.

3. Fiscal Impact:

There is no fiscal impact.

4. Recommendation:

That the board approves the 2025-2026 MOU with the TAMUSA La Familia Program.

5. Required:

Board action.
