

GRADUATES OF THE NEW FAIRFIELD PUBLIC SCHOOLS ARE...

KNOWLEDGEABLE SCHOLARS

Pursue their interests and curiosities while developing a depth of background knowledge in all of the core academic domains as well as in life skills such as financial literacy, that they can use to solve problems and succeed in life.

TALENTED COMMUNICATORS

Read, write, listen, speak, create and view skillfully, critically and confidently. They can adapt their style and message for a variety of purposes, situations and audiences. As a result, they have strong relationship skills and can collaborate well. They can manage conflict confidently and respectfully.

CRITICAL & CREATIVE THINKERS

Access, evaluate and apply information to solve problems, pursue their curiosities and make decisions. They grow their creativity through experiences within the fine and performing arts which will further support their ability to think critically and creatively.

ENGAGED GLOBAL CITIZENS

Learn about the history of their local community, our country and other countries around the world to understand the value of our democracy and what other cultures are like, so that they can understand, respect and embrace diversity, be socially aware, be kind, compassionate, empathetic and respectful and be active, civic-minded participants in our global community.

SELF-DETERMINED & SELF-RELIANT INDIVIDUALS

Set goals, persevere, and reflect as they learn to understand and regulate their emotions and reactions, which will foster their overall health, wellness and mindfulness. Through this they will become intentional, resilient, independent and most importantly, self-reliant.

This vision was co-created by our students, staff, parents and Board of Education. It represents the collective voice of the New Fairfield Public Schools. 2021
