

Dear Dr. Benavides and School Board Members,

On behalf of the ECISd Elementary Librarians, I would like to be placed on the May School Board meeting agenda. I would like to present a brief slideshow presentation on the impact of librarians. Although we asked to the presentation to be made at the April meeting since it was National Library Week, I guess there was a little confusion. Therefore, please place us on the agenda.

Sincerely,

Marsha Dry,
Ireland Magnet School Librarian
